

Truro City Hospital - TR1

Contemporary new-build properties in a high-quality design setting

TR1 is a stylish development of 105 new apartments and houses set in the heart of Truro.

Combining old with new by mixing the exciting refurbishment of the former City Hospital with contemporary new build properties, the first phases of apartments proved popular with only a few now remaining.

We are also pleased to have recently launched Fusion @ TR1.

'Fusion' is a collection of contemporary new houses in the heart of TR1 and comprises fashionable three storey homes with either two or three / four bedrooms and all with outside space including some with delightful decked terraces at the rear with a covered car parking space beneath and great views over the city.

TR1 is vibrant and well located being just five minutes walk from the bustling city centre or less than half an hour away from the beautiful Cornish coast and countryside.

This scheme is being delivered in a partnership between Midas Homes and **Westco Properties**.
